7. Click on the Student Information Menu.
8. Click Plan Ahead. This will take you to the iROAR upgrade.

9. If you have multiple roles, for example you are both an advisor and are taking classes as a student, you will be prompted to continue in your chosen persona. Each persona will give you a different level of access.

10. You will now have access to the main iROAR page.
11. At any time, you can change your persona from the main iROAR page. Click the persona selection at the top of the page. For example, if you are logged in as a student, it will say student.
