

CONTENTS

Academic Calendar	4	Forest Resource Management	
Administration	6	Genetics	
General Information	7	Horticulture	
Purpose of Catalog		Microbiology	
Student Responsibility		Packaging Science	
History		Preprofessional Health Studies	
The Campus		Turfgrass	
Vision Statement		Wildlife and Fisheries Biology	
Mission Statement		College of Architecture, Arts, and Humanities	56
Accreditation		School of Design and Building and School of the Arts	
Advising Policy		School of Humanities	
Libraries		Architecture	
Computing Facilities		Communication Studies	
Calhoun Honors College		Construction Science and Management	
Cooperative Education		English	
Study and Work Abroad Programs		History	
Reserve Officers Training Corps		Landscape Architecture	
Honor Organizations		Language and International Health	
Clemson University Experiment Station		Language and International Trade	
Clemson University Foundation		Modern Languages	
Clemson Alumni Association		Philosophy	
Campus Visits and Tours		Production Studies in Performing Arts	
Admission	11	Visual Arts	
Application Forms and Dates		College of Business and Behavioral Science	69
Freshmen		ROTC Programs	
Transfer Students		Social and Behavioral Science Programs	
Admission Deposit		Business Programs	
Housing		Accounting	
Orientation Programs		Economics	
International Undergraduates		Financial Management	
Special Student Status		Graphic Communications	
Readmission of Former Undergraduates		Industrial Management	
Postbaccalaureate		Management	
Financial Information	16	Marketing	
Tuition and Fees		Political Science	
Resident Tuition and Fees		Psychology	
Dining Services		Sociology	
Tiger Stripe Account		College of Engineering and Science	80
Financial Aid		Engineering Programs	
Student Services	23	Bioengineering Engineering	
Housing		Biosystems Engineering	
Redfern Health Center		Ceramic and Materials Engineering	
Academic Success Center		Chemical Engineering	
Career Services		Civil Engineering	
Disability Services		Computer Engineering	
Academic Regulations	25	Electrical Engineering	
Credit System		Industrial Engineering	
Grading System		Mechanical Engineering	
Classwork		Science Programs	
Graduation Requirements		Chemistry	
Academic Records		Computer Information Systems	
Academic Integrity		Computer Science	
Academic Grievance Committee		Geology	
Academic Misconduct for Former Student		Mathematical Sciences	
Revocation of Academic Degrees		Physics	
General Education	34	Polymer and Textile Chemistry	
Mission Statement		Textile Management	
Course Requirements		College of Health, Education, and Human Development	98
General Education Competencies		Eugene T. Moore School of Education	
Minors, Programs, and Degrees	36	Agricultural Education	
Minors		Early Childhood Education	
Preprofessional Studies		Elementary Education	
Second Baccalaureate Degree		Mathematics Teaching	
Double Major		Science Teaching	
Graduate Degrees		Secondary Education	
College of Agriculture, Forestry, and Life Sciences	40	Special Education	
Agricultural and Applied Economics		Technology and Human Resource Development	
Agricultural Education		Health Science	
Agricultural Mechanization and Business		Language and International Health	
Animal and Veterinary Sciences		Nursing	
Biochemistry		Parks, Recreation, and Tourism Management	
Biological Sciences		Courses of Instruction	113
Biosystems Engineering		Faculty	213
Environmental and Natural Resources		Appendix	242
Food Science		Index	I-1
