COLLEGE OF BUSINESS AND BEHAVIORAL SCIENCE

Students in the College of Business and Behavioral Science seek to understand and organize human behavior in a business, economic, and social context. The College promotes scholarship with broad awareness of the individual, cultural, political, and global levels and develops distinctive leaders in industry, higher education, professional, and public service. The College includes the School of Accountancy and Finance, and the Departments of Aerospace Studies, Economics, Finance, Graphic Communications, Management, Marketing, Military Leadership, Political Science, Psychology, and Sociology and Anthropology.

All College of Business and Behavioral Science majors, and other non-majors taking 300- and 400-level courses offered by the College, are required to pay a differential fee to fund significant infrastructure and program enhancements. Additional information about this fee and the benefits derived from it is available at www.clemson.edu/cbbs/academics/fees.

BUSINESS AND PROFESSIONAL PROGRAMS

Bachelor of Science degrees are offered in Accounting, Economics, Financial Management, Graphic Communications, Management, and Marketing. With the exception of Graphic Communications, these programs share a common curriculum during the first year, allowing the student maximum flexibility in choosing an appropriate major. The Business programs in Accounting, Financial Management, Management, and Marketing are accredited by AACSB International (Association to Advance Collegiate Schools of Business). The Accounting program has earned additional accounting accreditation by AACSB International. All business and professional curricula prepare students for a variety of careers and enhance degree programs in Accounting, Economics, Financial Management, or Management, students must have completed the courses outlined in the freshman core curriculum and have a cumulative grade-point ratio of 2.0 or higher. Students wishing to enter the Marketing Program must have completed the freshman core curriculum and have a Clemson/Bridge cumulative grade-point ratio of 3.0 or higher.

Pre-Business Program

The Pre-Business program provides students planning to earn Bachelor of Science degrees in Accounting, Economics, Financial Management, Management, and Marketing with a sound academic preparation for these degrees. All Pre-Business students complete a common curriculum during the freshman year. All new Business students (including transfer students) are admitted into the Pre-Business program until the following core classes are satisfactorily completed and the grade-point ratio requirement is met: BUS 101, ECON 211, 212, MTHSC 102, 207 or acceptable sequence, ENGL 103, and a natural science requirement.

Change of Major into Pre-Business

Students who change majors into Pre-Business must have completed at least 12 credit hours at Clemson and must have a 2.0 minimum cumulative grade-point ratio.

Freshman Curriculum

First Semester
1. BUS 101 Business Foundations
2. ECON 211 Principles of Microeconomics
3. MTHSC 102 Intro. to Math. Analysis or MTHSC 106 Calculus of One Variable
4. PSYCH 201 Introduction to Psychology
5. SOC 201 Introduction to Sociology
6. Natural Science Requirement
7. Elective

Second Semester
1. COMM 150 Intro. to Human Comm. or COM 250 Public Speaking
2. ECON 212 Principles of Macroeconomics
3. ENGL 103 Accelerated Composition
4. MTHSC 207 Multivariable Calculus or MTHSC 108 Calculus of One Variable
5. Science and Tech. in Society Requirement

Admission to Business Degree Programs

To be eligible for admission into the Bachelor of Science degree programs in Accounting, Economics, Financial Management, or Management, students must have completed the courses outlined in the freshman core curriculum and have a cumulative grade-point ratio of 2.0 or higher. Students wishing to enter the Marketing Program must have completed the freshman core curriculum and have a Clemson/Bridge cumulative grade-point ratio of 3.0 or higher.

Students should initiate a change-of-major request with the College of Business and Behavioral Science Academic Advising Center in G-01 Sirrine Hall after completing the freshman core curriculum. Students who fail to meet the requirements for admission to a degree-granting business program may remain in Pre-Business until those requirements are met, but only until 64 semester hours of coursework have been completed. Students who exceed 64 credit hours and still do not meet the requirements for admission into a degree program must declare another major.

Transfer Credit Policy

For upper level undergraduates business courses (300- and 400-level courses with the rubrics of ACCT, BUS, E L E, FIN, LAW, MGT, and MKT) transfer credits will only be accepted from AACSB International and/or EQUIS accredited institutions. Transfer credits from non-US institutions that do not hold either accreditation may be evaluated on a case-by-case basis.

BEHAVIORAL AND SOCIAL SCIENCE PROGRAMS

Bachelor of Arts degrees are offered in Economics, Political Science, Psychology, and Sociology. Bachelor of Science degrees are also offered in Political Science, Psychology, and Sociology. These programs are designed to meet the needs of students seeking a broad general education as preparation for intelligent citizenship, commercial and industrial life, government service, research, and teaching. These curricula also provide an excellent background for the study of law, journalism, and medicine.

To achieve depth as well as breadth in the educational experience, students select a major consisting of courses above the sophomore level. Students also choose a minor consisting of additional credit hours. Students should contact their advisor for additional information and approval before pursuing a minor. See page 86 for a list of acceptable minors.

Students in Bachelor of Arts programs who plan to teach in public schools may elect education courses required for certification by the South Carolina State Department of Education. Such courses are to be approved by their own department advisors.

ROTC PROGRAMS

Aerospace Studies (AFROTC)

Air Force Reserve Officer Training Corps (AFROTC) is designed to “develop quality leaders for the Air Force.” Students can earn a minor in Aerospace Studies and a commission as Second Lieutenants while pursuing a bachelor’s degree. Clemson’s program has won numerous local and national awards for excellence. The program includes courses in foundations of the Air Force, air power history, leadership and management, and national security affairs. In addition to courses, students participate in a weekly leadership laboratory. “Lead Lab” provides students a training environment to practice leadership principles in a cadetled Air Force wing. Throughout the program, cadets hone their communication skills through various leadership positions, briefings, and papers. The first year of the program, Foundations of the United States Air Force, introduces students to the Air Force and AFROTC. It provides an overview of the basic characteristics, missions, and organization of the Air Force. The second year, The Evolution of USAF/Air and Space Power, features topics on Air Force heritage and leaders; and introduces air and space power through examination of distinct capabilities and functions. The third year, Air Force Leadership Studies, teaches cadets advanced skills and knowledge in management and leadership. Special emphasis is placed on enhancing leadership skills. Cadets have an opportunity to try out these leadership and management techniques in a supervised environment as juniors and seniors. The fourth year, National Security Affairs and Preparation for Active Duty, is designed for college seniors and gives them the foundation to understand their role as military officers in American society. It is an overview of complex social and political issues facing the military profession and requires a measure of sophistication commensurate with the senior college level. Seniors are also prepared to enter active duty as they transition from student to Air Force Officer. For additional information, contact the Department of Aerospace Studies.
Military Leadership (Army ROTC)

Army Reserve Officer Training Corps (Army ROTC) is all about leadership. It allows students the opportunity to become Army officers in the Reserves, National Guard, or active Army. The first two years of the program are open to all students. During the freshman year, the focus is on learning individual leadership skills, such as time management, leadership character, values, setting goals, and conducting meetings. The sophomore year emphasizes teamwork, team leading, communication/briefings, decision making, organizational culture, vision, and team values. Juniors primarily learn planning and conducting training for large groups and are evaluated in leadership exercises. Seniors focus on organizational leadership. They plan and run the 170-person organization, conduct individual counseling, and evaluate the juniors’ leadership exercises. A minor in Military Leadership can be earned by completing the program. Enrollment requires no military obligation until the sophomore year for those on an Army scholarship or the junior year for those without a scholarship. Additional information is available from the Military Leadership Department.

ACCOUNTING

Bachelor of Science

The program leading to the Bachelor of Science degree in Accounting prepares students for careers as professional accountants. Students completing this program are well prepared to begin professional careers in corporate accounting or internal auditing or to continue study at the graduate level.

Students planning to become Certified Public Accountants should note that the requirements for certification in South Carolina include 150 hours of collegiate education and completion of a bachelor’s degree. Other states have similar requirements. The Accounting faculty of the School of Accountancy and Finance believes these requirements are best met with a bachelor’s degree in Accounting and completion of the Master of Professional Accountancy (MPAcc) degree program. The MPAcc program also enhances the preparation of students pursuing accounting careers in areas of specialization such as assurance services and taxation.

Admission to the MPAcc program is separate from admission to the undergraduate program. It is based on the student’s undergraduate record and score on the Graduate Management Admissions Test (GMAT). For information, contact the School of Accountancy and Finance, 300 Sirrine Hall.

In addition to accounting and business courses, the Bachelor of Science curriculum is devoted to English, public speaking, mathematics, natural and social sciences, and the humanities. Thus, students in the accounting program obtain a broad-based education that not only gives them accounting expertise but also contributes to their proficiency in analytical, communication, and interpersonal skills. Along with the general business accreditation held by the College, the Accounting degree programs offered by the School of Accountancy and Finance are separately accredited by AACSB International, the only accrediting agency for accounting programs.

Students wishing to change majors into the accounting program must have a 2.0 or higher Clemson/Bridge cumulative grade-point ratio.

Sophomore Year

First Semester
3 - ACCT 201 Financial Accounting Concepts
3 - EX ST 301 Introductory Statistics or
3 - MTHSC 309 Intro. Business Statistics
3 - MGT 201 Principles of Management
3 - Arts and Humanities (Non-Lit.) Requirement
3 - International Studies Requirement
15

Second Semester
- ACCT 204 Accounting Procedures
- MGT 218 Management Personal Computer Applications
- MKT 301 Principles of Marketing
- Arts and Humanities (Literature) Requirement
3 - International Studies Requirement
3 - Elective
16

Junior Year

First Semester
3 - ACCT 311 Intermediate Financial Acct. I
3 - ACCT 322 Accounting Information Systems
3 - ENGL 304 Business Writing
3 - FIN 311 Financial Management I
3 - Fine Arts Requirement
15

Second Semester
- ACCT 312 Intermediate Financial Acct. II
- ACCT 340 Internal Auditing Theory or
- ACCT 415 Auditing
3 - FIN 312 Financial Management II
3 - LAW 322 Legal Environment of Business
3 - PHIL 344 Business Ethics
1 - Elective
16

Senior Year

First Semester
3 - ACCT 303 Cost Accounting
3 - ACCT 313 Intermediate Financial Acct. III
3 - ACCT 404 Individual Taxation or
3 - ACCT 406 Business Taxation
3 - MGT 310 Intermediate Business Statistics
3 - International Business Requirement
15

Second Semester
Option A: Internship
- ACCT 399 Internship in Accounting
- ACCT 410 Budgeting and Executive Control
- MGT 415 Business Strategy
6 - Business Requirement
15

Option B: Business Management
- ACCT 410 Budgeting and Executive Control
- MGT 415 Business Strategy
9 - Business Requirement
15

122 Total Semester Hours

ECONOMICS

A bachelor’s degree in Economics provides a thorough understanding of business, society, and public policy and prepares students for a wide range of careers. By combining general education courses and a strong course of study in economics, students can prepare for graduate studies in business, law, or any of the social sciences, as well as for careers in business and government.

The Department of Economics offers two undergraduate degree paths. The Bachelor of Arts degree emphasizes foreign language skills and offers students maximum freedom to tailor their course of study to their specific interests and career goals. A broad choice of minors is available for this program. The Bachelor of Arts program requires 30 credit hours in economics, which should be satisfied by completing ECON 211, 212, and 24 credits of coursework above the sophomore level. Bachelor of Arts majors must complete ECON 314 and 315. ECON 405 is strongly recommended but not required.

The Bachelor of Science program emphasizes business applications. It requires 31 credit hours in economics, which should be satisfied by completing ECON 211, 212, and 25 credits of coursework above the sophomore level. Bachelor of Science majors must complete ECON 405 in addition to 314 and 315. Students wishing to change majors into the Bachelor of Science program in Economics must have a 2.0 or higher Clemson/Bridge cumulative grade-point ratio.

Minors

A minor field is required of students in both the Bachelor of Arts and the Bachelor of Science degree programs. Economics majors may choose, in consultation with their advisors, any University-approved minor (see page 86).

Students who wish to combine the curriculum in Economics with secondary-school teaching should take the degree in Education with a teaching area in Economics. The courses taken will be those required for teaching certification as specified by the South Carolina Department of Education, as well as those required for an Economics major.
Combined Bachelor’s/Master’s Plan
The Department of Economics allows students to count up to 12 hours of graduate credit (800-level courses) toward both the bachelor’s and master’s degrees. Students participating in this program must have a minimum grade-point ratio of 3.4 and be admitted to the Graduate School prior to registering for graduate courses. Details of the suggested curriculum and program information are available from the Department of Economics.

Dual Degree Program with Université Catholique de Louvain in Belgium
The Economics Department has a dual degree program with the Université Catholique de Louvain in Belgium. Students spend one semester taking courses at the University of Maastricht in The Netherlands and two semesters at UCL in Louvain-la Neuve, Belgium. The instruction at Maastricht is in English, and the instruction at UCL is in French. After returning to Clemson to complete their studies, students will earn bachelor degrees from both Clemson and UCL. Students must be proficient in French to participate in the program. Interested students should contact the Department of Economics for information.

Change of Major into Bachelor of Arts in Economics
Students who change majors into Bachelor of Arts in Economics must have completed at least 12 credit hours at Clemson and must have a 2.0 minimum Clemson/Bridge cumulative grade-point ratio.

Bachelor of Arts

120 Total Semester Hours
Students who complete a minor in Accounting must complete three hours of electives to replace the ACCT 201 requirement in the Economics major.
See advisor.
See General Education Requirements. Note: Cross-Cultural Awareness Requirement may be satisfied by other General Education courses, by the International Studies Requirement, or through the use of elective hours.
Students minoring in Financial Management may not use FIN 311 to satisfy any minor requirement. See advisor.
Three credit hours must be selected from ECON 344, 350, 360, 402, 404, 410, 424, 426, 435, 455. Note: Only ECON courses numbered 316 and above may be used to satisfy the Major Requirement.
Note: At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.

FINANCIAL MANAGEMENT
Bachelor of Science
The Bachelor of Science in Financial Management program is designed to develop an understanding of financial markets in the contemporary economy, the operation of financial institutions, and the financial management of business operations. The curriculum prepares students for careers in such areas as corporate finance, banking, investments, financial planning, insurance, and real estate. Governments of all levels also employ finance graduates in many of their divisions. The curriculum also provides excellent preparation for students interested in graduate studies or law school.

The core of the curriculum provides a broad range of subjects with an emphasis on technical and communication skills. Students then have the flexibility to tailor courses to their own needs by choosing emphasis areas that will enhance career preparation in specific areas of finance. Students who complete a specific set of courses are eligible to sit for the certified financial planner (CFP®) examination.
Students wishing to change majors into the financial management program must have a 2.0 or higher Clemson/Bridge cumulative grade-point ratio.

Sophomore Year
First Semester
3 - ACCT 201 Financial Accounting Concepts
3 - EX ST 301 Introductory Statistics or
3 - MTHSC 309 Intro. Business Statistics

121 Total Semester Hours

1See General Education Requirements. Note: Cross-Cultural Awareness Requirement may be satisfied by other General Education courses, by the International Studies Requirement, or through the use of elective hours.
2See advisor.
3Fifteen credit hours from one of the following emphasis areas are required. Emphasis area should be selected before the end of the junior year in consultation with the advisor.
4Financial Planning—ACCT 404, 408, FIN 304, 405, 409
5Financial Services—FIN 405, 406, 408, 411, and one course from FIN 304, 399 (three credits), 417
6Real Estate—FIN 415, 416, 417, LAW 333, plus one course from FIN 399 (three credits), 408, LAW 405

Notes:
1. Financial Management majors are required to have a minimum grade-point ratio of 2.0 in all FIN-designated courses to graduate. Only the last grade for courses that are repeated is used in computing this grade-point ratio.
2. At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MKT, and MGT must be taken at Clemson University.

GRAPHIC COMMUNICATIONS
Bachelor of Science
The Bachelor of Science degree in Graphic Communications prepares students for professional careers in printing, publishing, packaging, and related industries. The core curriculum assures graduates of having the skills and knowledge required by most entry-level jobs. The major requirements allow each student to select courses that enhance career preparation in specific segments of graphic communications. Coursework is heavily oriented around individual laboratory performance, which stresses the development of problem-solving skills in a broad cross-section of manufacturing areas. Applications include all major processes and a variety of industry segments, including commercial printing, publishing, package production, specialty printing, and industrial applications of printing technology beyond communications. The most common career opportunities are in printing management, production planning and supervision, and commercial and technical sales.

The Graphic Communications program is designed to be completed in four years (eight semesters and one or two summers). While students must take one internship during a fall or spring semester, one or two summers are typically used to make up for that semester. The department schedules courses in summers for that purpose. Taking a reduced load per term or other circumstances could extend the time needed to meet graduation requirements.

Policy on Advancement in Graphic Communications
Graphic Communications majors must earn a C or better in prerequisite G C courses before enrolling in the next level G C course. Registration priority is given to those students for whom the course is a requirement.

Change of Major into Graphic Communications
Students who change majors into Graphic Communications must have completed at least 12 credit hours at Clemson, must have a 2.0 minimum cumulative grade-point ratio, and must have earned a B or better in G C 102.

120 Total Semester Hours

Combined Bachelor of Science/Master of Science Degree Program

Under this plan, students may reduce the time necessary to earn both degrees by applying graduate credits to both undergraduate and graduate program requirements. Students may apply up to 12 hours of graduate credits to both the BS and MS degrees. To be eligible for this program, students must have a 3.4 or higher grade-point ratio, have completed at least 90 credits of coursework and have been admitted to the Graduate School prior to registering for graduate courses. Students in this program are conditionally accepted to the graduate program until they have completed all BS degree requirements.

Management

Bachelor of Science

The Bachelor of Science degree in Management prepares students for careers as professional managers in corporations, governmental organizations, and small businesses. In addition, the program provides a foundation for graduates who wish to pursue advanced degrees in business and public administration, law, and the social sciences.

The curriculum gives students a broad exposure to the functional areas of business and allows each to select an emphasis area in a subject that is germane to individual career interests. The Management curriculum provides an examination of the social, legal, political, and economic environments in which organizations must operate; an understanding of the functional areas of business and their interrelationships; and a knowledge of behavioral science, applied statistics, and mathematics as they relate to organizational problem solving. The program is accredited by AACSB International.

Students wishing to change majors into the management program must have a 2.0 or higher Clemson/Bridge cumulative grade-point ratio.

MARKETING

Bachelor of Science

The Bachelor of Science degree program in Marketing develops an understanding of various aspects of marketing. The curriculum prepares students for professional marketing careers in industry, government, or the nonprofit sector. Graduates are also well prepared for entrance into the Master of Business Administration, law, or other graduate programs. For students who want a general perspective of marketing, the curriculum provides a broad range of subjects with the flexibility to tailor courses by choosing areas that enhance career preparation in various areas of marketing. Subjects include promotional strategy, professional selling, sales management, public and nonprofit marketing, entrepreneurship, marketing research, product management, marketing management, and international marketing. Emphasis areas in services marketing, sport marketing, and technical marketing are available to students who seek to specialize. The Marketing curriculum, whether approached from a general or specialized perspective, provides the conceptual, quantitative, and analytical skills necessary to function in a dynamic business environment. The Marketing degree is accredited by AACSB International.

Students wishing to change majors into the Marketing program must have a Clemson/Bridge cumulative grade-point ratio of 3.0 or higher.

Management majors must complete an emphasis area consisting of 12 hours beyond the coursework required by the management curriculum and the support area requirement. Students should choose ONE of the following ways to satisfy this requirement:

Entrepreneurship—E L E 301, MGT (E L E) 315 plus two courses from ECON (E L E) 321, E L E 401, 499, MGT 497, MKT (E L E) 314, MGT 420, 425, 426, 427, 428, 429, 430, SOC (E L E, PSYCH) 356.

Human Resources Management—Any of the following courses, including at least two management courses not already taken in the basic curriculum: MGT 307, 400, 416, 425, 431, 435, 436, PSYCH 164, 369, 435, 437, 471.

International Management—Any four of the following courses: ECON 310, FIN 411, LAW 420, MGT 424, 444, MKT 427, PSYCH 361, 362, 367, 429, and any business courses approved in advance and taken as part of a study abroad experience.

Management Information Systems—MGT 411, 452; and two courses from CP SC 462, MGT 430 (topic must be approved in advance by advisor), 454, 455, 456.

Operations Management—MGT 402, and two courses from MGT 408, 412, and one course from MGT 404, 412, 444.

Supply Chain Management—MGT 412, 424; and two courses from MGT 335, 337, 402, 408, 427, 444, MKT 426.

General Management—Any four 300- or 400-level management courses.

Management majors must complete a support area consisting of 15 hours beyond the coursework required by the management curriculum and the management emphasis area requirement. Students should choose ONE of the following three ways to satisfy this requirement: (1) Declare and complete a minor requiring at least 15 hours of additional coursework; or (2) Complete 15 hours of coursework selected from the approved list of management support courses; or (3) Complete five courses from the same foreign language: 201, 202, 305; and any two other courses at the 300 or 400 level (CHIN, FR, GER, ITAL, JAPN, RUSS, or SPAN).

MKT 415 must be taken at Clemson University.

Note: At least 50 percent of the total credits taken in ACCT, ECON, E L E, FIN, LAW, MGT, and MKT must be taken at Clemson University.

121 Total Semester Hours

1See General Education Requirements. Note: Cross-Cultural Awareness Requirement may be satisfied by other General Education courses, by the International Studies Requirement, or through the use of elective hours.

2See advisor.

3Chosen jointly by the student and the advisor. These must support the emphasis area selected by the student. Certain minors may be used to satisfy the Support Courses Requirement. A minimum of six hours can be from MKT 298, 398, 399 and 498. See advisor.

4Select one of the following emphasis areas (Note: MKT 298, 398, 399, and 498 cannot be used to satisfy emphasis area requirements):
   - General Marketing—nine credit hours selected from any MKT courses at the 300 or 400 level
   - Service Marketing—MKT 428 plus six credit hours selected from any MKT courses at the 300 or 400 level
   - Sport Marketing—MKT 321 plus six credit hours selected from any MKT courses at the 300 or 400 level

5Technical Marketing—MKT 426 plus six credit hours selected from any MKT courses at the 300 or 400 level

Note: At least 50 percent of the total credits taken in ACCT, ECON, FIN, LAW, MGT, and MKT must be taken at Clemson University.

POLITICAL SCIENCE
The Department of Political Science offers two degree programs: a Bachelor of Arts and a Bachelor of Science, requiring 120–122 credit hours. Both prepare students for a wide range of graduate programs and career opportunities. The Bachelor of Arts program provides broad coverage of the political science discipline and emphasizes communication skills and humanities. The Bachelor of Science program is recommended for those with an aptitude for mathematics and/or an interest in political economy, public administration, public policy, or other fields requiring advanced quantitative skills. Both programs are appropriate for pre-law students and for students interested in either American or global politics. Note that the Bachelor of Arts degree requires a minor, and the Bachelor of Science degree requires a field of concentration and, depending on the concentration, requires or allows a minor.

Bachelor of Arts
The requirements for a Bachelor of Arts degree in Political Science consist of PO SC 101, 102 or 104, 199, 499, and at least 24 additional credit hours in political science at the 300–400 level, including at least one course from each of the following fields:

American Government—PO SC 403, 405, 416, 436, 442
Comparative Politics—PO SC 371, 372, 466, 471, 476, 477, 478
International Relations—PO SC 361, 362, 363, 375, 429
Political Theory—PO SC 450, 453, 455
Public Policy and Public Administration—PO SC 302, 321, 421, 423, 424, 427, 430

The student’s additional coursework in political science is chosen with the consent and advice of the departmental advisor to ensure an appropriate balance of breadth and specialization within the field of political science. In addition to the courses listed above, the department offers a wide range of specialized courses in each of the subfields of the political science discipline.

The Bachelor of Arts degree in Political Science also requires additional arts and humanities courses beyond the basic General Education Requirements.

Note: No more than three hours credit from PO SC 305, 310, 311, 312, 313, 409, and 410 may be applied toward a Political Science major.

POLITICAL SCIENCE

Bachelor of Science

The requirements for a Bachelor of Science degree in Political Science consist of PO SC 101, 102 or 104, 199, 499, and at least 24 additional credit hours in political science at the 300–400 level, including one upper-level American politics course and one upper-level global politics course.

In consultation with the departmental advisor, students choose one of the following concentrations: American Politics, Global Politics, Political Economy, Public Administration, or Public Policy.

Note: No more than three hours credit from PO SC 305, 310, 311, 312, 313, 409, and 410 may be applied toward a Political Science major.

Six hours (through 202) in the same modern foreign language are required.
2HIST 101, 102, 172, 173, 193
3See General Education Requirements. (Note: Students selecting MTHSC 106 and 108 will take fewer elective hours.)
4See major requirements in program description above.
5See list of approved minors on page 86.
6Any course in philosophy or religion not already used to satisfy a General Education Requirement.
7Any course in A A H, ART, DANCE, MUSIC, or THEA not already used to satisfy a General Education Requirement.
PSYCHOLOGY

Psychology is the study of human and animal behavior and the biological, psychological, and social processes related to that behavior. The Bachelor’s degree in Psychology prepares students for a variety of professional careers related to human resources, personnel, counseling, and other people-oriented positions in human services, business, and industry. Additionally, the Bachelor’s degree provides excellent preparation for graduate training in such areas as clinical, counseling, industrial, experimental, cognitive, social, biological, health, developmental, and school psychology. The program also provides excellent preparation for students who intend to pursue professional training in medicine, physical or occupational therapy, dentistry, pharmacy, veterinary science, or law. Further information is available at www.clemson.edu/psych/

Change of Major into Psychology

Students who change majors into Psychology must have completed at least 12 credit hours at Clemson or in the Bridge Program and must have a 2.4 minimum Clemson/Bridge cumulative grade-point ratio.

Bachelor of Arts

The Bachelor of Arts program requires PSYCH 201, 202, 309, 310, 492, and 19 additional credits selected from PSYCH 275 and/or 300-400-level psychology courses arranged as follows:

Two courses from the Biological and Cognitive menu: PSYCH 324, 333, 422

One course from each of the following menus:

- Applied—PSYCH 275, 364, 368, 383, 435, 456, 480, 488
- Individuals and Groups—PSYCH 340, 352, 370
- Laboratory/Research—PSYCH 325, 334, 423, 456, 471, H490, 493, 495, 497, 498

At least six credits must be from 400-level psychology courses, with at least three of those credits from psychology courses numbered between 400 and 489. BIOCS 470 may be taken in lieu of one elective psychology course. Students satisfying both the Applied and Laboratory requirements with PSYCH 456 must still satisfy the requirement for 19 additional credits in Psychology (see above). Students should consult their advisors for other degree requirements and course recommendations.

Bachelor of Science

The Bachelor of Science program in Psychology requires PSYCH 201, 202, 309, 310, 492, and 19 additional credits selected from PSYCH 275 and/or 300-400-level psychology courses arranged as follows:

Two courses from the Biological and Cognitive menu: PSYCH 324, 333, 422
College of Business and Behavioral Science

One course from each of the following menus:

- Applied—PSYCH 275, 364, 368, 383, 435, 456, 480, 488
- Foundations of Science—G W 402, PHIL 326, 327, 425, PSYCH 415
- Individuals and Groups—PSYCH 340, 352, 370
- Laboratory/Research—PSYCH 325, 334, 423, 456, 471, H490, 493, 495, 497, 498

At least six credits must be from 400-level psychology courses, with at least three of those credits from psychology courses numbered between 400 and 489. BIOSCI 470 may be taken in lieu of one elective psychology course. Students satisfying both the Applied and Laboratory requirements with PSYCH 456 must still satisfy the requirement for 19 additional credits in Psychology (see above). Students should consult their advisors for other degree requirements and course recommendations.

Emphasis Areas in Sociology

Community Studies—R S (SOC) 459, SOC 331, (R S) 495; and six credits from all courses offered in anthropology or sociology not already taken to fulfill requirements.

Criminal Justice—SOC 388, 389; and nine credits selected from SOC 391, 392, 396, 398, 468, 486, 491, 493, 494; and ANTH 353. No more than three hours of SOC 486 may be taken to satisfy concentration electives.

General Sociology—Nine credit hours selected from any courses offered in anthropology or sociology not already taken to fulfill requirements; three credit hours selected from SOC 311, 330, 432, and 444; and three credit hours selected from SOC 350, 351, 391, and 433.

Social Services—SOC 380, 414, (R S) 495; and six credits from all courses offered in anthropology or sociology not already taken to fulfill requirements.

At least 12 of the total credits must be from 400-level sociology, rural sociology, and/or anthropology courses; no more than nine credit hours may be taken in courses at the 100 or 200 level, except with approval of the department chair. Additional electives are added to meet the minimum of 121 hours required for graduation.

SOCIOLGY

The Sociology major offers two degree programs: a Bachelor of Arts and a Bachelor of Science. Both degrees prepare students for a variety of professional careers related to human resources, management, public relations, social services, criminal justice, health services, social research, and other people-oriented positions in the public and private sector. In addition, the Bachelor’s degree provides excellent preparation for graduate training in sociology, anthropology, social services, law, and business. Both degrees require a total of 121 semester hours, including 36 credit hours in sociology and/or anthropology, as identified below. Courses used to fulfill General Education Requirements may be used to fulfill minor requirements.

Change of Major into Sociology

Students who change majors into Sociology must have completed at least 12 credit hours at Clemson and must have a 2.0 minimum cumulative grade-point ratio.
